About Our Programs

EarlyON Centres offer free drop-in programs for caregivers and children from birth to six years old.

You can learn and play with your child, meet people, or get advice.

Play with your child...

Our programs encourage children's natural curiosity through exploration, play, and inquiry.

Meet people...

Our programs offer an opportunity to meet new people and connect about topics like child development, parenting, nutrition, play, and learning.

Or, get advice...

Our programs provide resources and information about specialized community services.
